

Data Protection Statement Parenteral Nutrition Research Grant submission

Data protection information for researchers submitting a proposal

Last updated 30th of March, 2021

Why We Collect and Use Your Data

When you apply and submit a proposal Fresenius Kabi ("we") will collect and use your data to communicate with you about the receipt and the assessment of your submission

We will not use the data for any other purposes such as contacting you further

What Data We Collect and How We Do That

We only collect and use the personal data as you provide in your submission:

- Name and contact details (email, phone)
- Role and function in your organization
- Your areas of expertise
- Your profession and qualifications

Legal Basis for Processing Your Data

By submitting your proposal to us, you unambiguously provide your consent to process your personal data for the purposes as mentioned above.

We Share Your Data

We will share your data with

- the review committee that consists of key opinion leaders in the field of clinical nutrition chaired by Prof. Dr. Isabel Correia, Chief of the Nutrition Therapy Team at

the Alfa Institute of Gastroenterology and Surgery at the University Hospital, Belo Horizonte, Brazil.

- The FELANPE 2021 congress
- The Fresenius Group companies, to the extent it is necessary for the assessment of the proposal (Please refer to the [overview of the locations](#) in which Fresenius Kabi group companies are active.)
- Service providers which process personal data on our behalf (such as IT service providers who host the data or provide maintenance services)

International Data Transfers

We may send your personal data in parts or as a whole to Fresenius Group recipients in countries, which are not member states of the European Union or do not provide adequate data protection comparable to the European member states or to international organizations. Please refer to the overview of [the locations in which Fresenius Kabi is active](#).

We may send data to the following countries for which the European Commission has determined an adequate level of data protection to be in place that matches the level of data protection within the European Union in which Fresenius entities have been established: Argentina, Canada, Japan, New Zealand, Switzerland or Uruguay.

How Long We Retain Your Data

We store your personal data until 30 November (2 months after the announcement of the winner during the FELANPE 2021 congress)
